

FFA Livestock Exhibition Options

- Cattle (steers & heifers)
- Swine (barrows & gilts)
- Goats
- Lambs
- Rabbits
- Poultry (broilers & turkeys)

Other FFA Activities

- Leadership roles on Elgin officer team
- State FFA Rodeo
- Youth Project Fair competitions
- Leadership retreats
- Greenhand Leadership Camp
- Area and State conventions
- National FFA Convention
- Scholarships for active members

FFA involvement is not required to be enrolled in an agricultural science course. FFA is optional, although highly recommended.

In order to be an FFA member, the student must take an agricultural science course at the minimum of every other year. The student must take an agricultural science course their freshman year to be in the FFA their freshman year.
